SANDY

NAME: Sandy
LOCATION: Devon

"They say that age isn't really a barrier nowadays and that you are only as old as you feel. Well, if that's the case then I'm only 18 years old! I certainly feel young at heart and I've got the same sex drive as I had when I was a nipper. Most importantly guys, I've still got a nice tight fanny! Feeling so young and bubbly has caused me a bit of a dilemma. Should I be looking to find men who are the same age as me to have a serious sexual relationship with, or should I be searching university bars looking for hot young studs to fuck? The second option certainly sounds better to me and after giving it some serious thought I thinks it's the route that I'm going to take! So come on guys – if you're young and fancy a piece of me my pussy is wet and gagging for your hard cock!"

ERIN

NAME: Erin
LOCATION: London

Erin was over the moon after asuccessful day at our 40 & Naughty photo shoot. Erin had the loving support of her husband Andy and he told us just how sex-crazy getting her flaps out got his missus...

"I just want to start by saying thank you very much for giving Erin such an incredible day at the photo shoot. She had an amazing time and would love to be kept in mind for more in the future. She was so happy in fact, that what I'm about to tell you is her way of thanking me for the idea to put her photos forward to your magazine. We had the photo shoot at home and throughout the whole thing I was complete turned on and erect. There was no point trying to hide it up as Erin had already spotted my lump in my trousers. At that point she winked at me and licked her lips. I was getting hotter every single minute, so I went off to get some relief in the bathroom. I came back to see the photographer just leaving.

As soon as Erin thanked him and shut the door, she grabbed me by my shirt and pushed me onto the sofa. She kept saying how horny she was and quite honestly I've never seen her so hyped-up before sex. She kept shouting out for me to fuck her right there, right now. She ripped my shirt off and licked the whole of my upper body.

She flicked my nipples lightly with her tongue, which was really turning me on. She unzipped my trousers and started caressing my cock, then she turned upside down and stuck her dripping wet pussy in my mouth and then started sucking the hell out of my throbbing cock.

I heard her scream out when I stuck my tongue deep into her hole and hit the spot. We both were so heated up that I turned her around so she faced me, then I slid my cock straight up her. We fucked right through the night until her pussy was red raw and we were utterly breathless."

EVEY

NAME: Evey
LOCATION: Essex

"What is it that made me move to Essex?" asks Evey. "Well, I had a bit of a falling out with my boyfriend. Basically I got caught having sex on film with my (female) neighbour. I didn't think he'd be so upset – we were filming it all for him. She was big-boobed and blonde and with a lovely hot slit of a cunt so I moved to Essex where that county's full of them. I only hope they like dark-skinned nymphomaniacs like me!"

LUCY

NAME: Lucy
LOCATION: Bath

You'd better make this horny housewife's a large one. Two large ones to be precise. "Men can't help themselves when I flop my tits out," big boobed Lucy told us. "They love it when I squeeze my breasts together so they can tit-fuck me. I think I've had more pricks in my cleavage than in my cunt. You wouldn't believe how much spunk I've had splashed over my norks. Mind you, no matter where a bloke's cream lands it usually ends up in one place – my mouth!"

It's not often we see, ahem, older birds that can give the younger models a run for their money, so you can imagine our excitement when we first laid eyes on Gemma. With a body tighter than most twenty-year-olds, Gemma says she has a body made for sin, and lips made for blowjobs! That sounds like an offer we can't refuse!

MANDY

NAME: Mandy
LOCATION: Leeds

Mandy and her husband John are a pair of eager swingers always on the look out for new couples that will join them at there sex parties.

"John introduced me to the world of swinging on our fourth date and I've never looked back since. He started swinging with his first wife and she never really got into it so you can imagine how thrilled he was when he met me two months after his divorce came through. We've fucked over 30 different people since we got married and even more before the wedding. I love to hear my husband moan with ecstasy in the other room as I'm fucking someone else."

SARAH-LOU

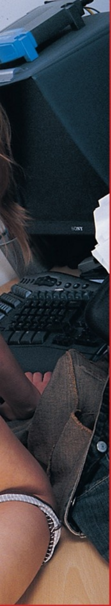
NAME: Sarah-Lou
LOCATION: Surrey

It's always good to see Sarah-Lou in the magazine, a genuine amateur babe who's happy to show her fantastic body off to the red-blooded blokes who love her. She's a girl who loves to show off her fantastic body, and with a rack like hers, who can blame her?

GEM

NAME: Gem
LOCATION: Northants

"I've got my own office now which is great if I'm bored at work and want to play with myself. I just shut the door, put my feet up and get out my dildo. My husband comes round once a week and fucks me over my desk. I have to be quiet so I could do with another cock to suck on while I'm getting boned by him!"



DAWN

NAME: Dawn
LOCATION: Edinburgh

"I've been single now for, ooh, six months and it's the longest barren patch without cock that I've had to endure since losing my virginity. I've made a few wise investments in rubber and plastic and when I'm feeling horny I just reach in to my bedside drawer and pull one of my toys out. Depending upon my exact mood I'll either go for a small vibrator or if I'm feeling dirty I'll get the big boy rubber dildo out and give my pussy a pounding! I guess the reason for me posing like this and showing everyone my sexy photos is my way of trying to attract a bit of attention, which isn't getting any easier now that I've turned 40. Obviously I'm only going to attract a guy who likes a fuller figure, but I think that us busty and curvy girls more often than not are better in the sack. We're more likely to be up for a bit of challenge in bed and you don't have to treat us like stick insects either. Rough deep fucking is definitely not going to be frowned upon in my bed! Also being 40 means that I've had a lot of experience when it comes to sex, not including the last six months of course, and I know how to handle a cock and get as much come out of it as is humanly possible! You'll probably notice that I've got olive skin and that comes from my Greek ancestry, so I'm a very passionate lover and can be very fiery too. It's this fiery temper that makes me the great shag that I am and it's boiling up in my loins."

Carmen & Nicole

NAME: Carmen
LOCATION: London

NAME: Nicole
LOCATION: Brighton

Carmen's a right little goer and turning 40 hasn't stopped her. As soon as she'd blown out her candles she was blowing off cocks. Thankfully, she managed to break off from sucking and fucking long enough to post these pictures of her with her equally horny new playmate, Nicole. As you can see, they're both up for hot girl-on-girl action, which is what the world needs more of in these troubled times but they reckon, and we agree, that what they need in their life is a good hard, thick cock, much like the one in your pants. If you've got what it takes, and you'd be happy to help them out, then why not write to them with a pic of your big 'un... and hopefully we'll have a hot threesome to print in the very near future!

DIANA

NAME: Diana
LOCATION: Wrexham

"My husband Tom and I are always up for a bit of a laugh and when the opportunity arose for me to do a nude photo shoot it was too good to turn down. The very first time I stripped off and posed in front of the camera was when I did a magazine shoot in London and my husband and I haven't looked back since.

He's not quite as adventurous as I am and he'll only pose for me when we're in the privacy of our own home but I get a real buzz from getting naked around strangers. I still remember that trip down to London – I was so horny and excited that I had to change my knickers twice because they were soaked from the dripping wet cunt. That train trip was more than just a little bit memorable and we ended up getting so horny that we had to make a quick toilet break together for a shag!

As you can see I'm not a small girl and my husband is even bigger, so fitting in the small toilet together and attempting to fuck each other was very amusing and we made no attempt to hide what we'd gone in there to do from the other passengers either. After a few minutes disrobing and manoeuvring us into position it was all over in a matter of seconds. I'd never known Tom finish off so quickly and after one or two deep thrusts I could feel his cock twitching and my pussy filling with his cum! It still ranks up there with one of the best fucks of all time and it set the mood for the whole day. I've grown more confident since that first shoot and now that I've done a few more I fancy trying my hand at being filmed having sex with another man. I'd like it to be my husband but if he's too shy I'll happily settle for anyone else with an 8 inch cock or longer – I'm not fussy about it!"

NAME: Diane
LOCATION: New Forest

Diane Palmer from the New Forest has decided that she is fed up with waiting for her 50-year-old husband to give her the sexual pleasure that she's longing for. "I married Ken when I was in my late teens and I thought we had an amazing relationship, well that was until two years ago when Ken went off sex and decided that my feelings didn't count. I'm getting hornier as I get older and Ken's losing interest. I've even tried to get him going by sliding under the covers when he's asleep and slipping his cock in my mouth. All I got for my efforts was a knee in the chin – I won't be doing that again. I've now given up on Ken and have brought a couple of porn magazines to look at as I masturbate most evenings. I've heard that young men like older women and I'm hoping that's true. I've been fantasising about fucking a younger man and feeling his hard cock slide in to my soaking wet pussy and pounding away so hard that I can't help but cover his throbbing member in my sweet pussy juices."
